The Color Lux[®] Collection

The Color Lux Collection by Comfortex Window Fashions offers color without compromise for your window treatments. Whether you are coordinating window shades with paint, wallpaper or any other home décor item, you can now easily find the right color to express your style.

There are two easy ways to select a color:

- ▶ Choose from one of the four color collections.
- ▶ Choose from the additional 760 colors in the Color Lux Color Deck.

Available Fabrics

- ▶ **Cellular:** ¾" Linen Weave or Boutique. Linen Weave and Boutique are available in light filtering and room darkening.
- ▶ **Roller:** Linen, Solar Screen 5 or Classic Duck. Linen and Classic Duck are available in light filtering and blackout. Solar Screen 5 is available in 5% openness.
- ▶ **Soft Roman, Drapery, Cornice and Valances:** Linen or Sateen. All fabrics come standard fully lined with a 100% cotton privacy liner.

Color Collections

- ▶ **Timeless Neutrals:** whites & neutral colors.
- ▶ **Perfect Pastels:** light & airy pastel colors.
- ▶ **Nature's Elements:** natural colors of nature.
- ▶ **Vivid Expressions:** bright & vibrant colors.

COORDINATION MADE EASY

Have no fear, we've taken the guesswork out of matching or coordinating your shades. Simply use the Color Lux deck to find the shade color that best suits what you are trying to match or coordinate. Whether it is a pillow, artwork or an accent wall as your inspiration, you can rest assured the color you need can be found amongst the 804 colors in the color deck.

COLOR LUX® ADVISOR

Need help finding a color that matches or harmonizes with your wall color? The Color Lux Advisor tool can help you find the Color Lux Cellular or Roller shade that best matches or coordinates with your paint. If you don't want an exact match, we will recommend colors that coordinate or harmonize with your paint colors. Use the design tool online at www.colorluxadvisor.com

CELLULAR SHADES

Our elegant cellular shade fabrics combine enduring simplicity with outstanding insulating properties. Available in light filtering and room darkening, Color Lux Cellular Shades are ideal for any setting.

AVAILABLE FABRICS

- ▶ **Linen Weave** *A beautiful linen fabric featuring touchably soft threads and a natural woven appearance.*
- ▶ **Boutique** *Boutique embodies high style and sophistication with its characteristically soft fabric feel and shimmering visual effect.*

ROLLER SHADES

Both practical and stylish, our Color Lux Roller Shades feature high quality fabrics and solar screens that will bring a clean, contemporary look to your home.

AVAILABLE FABRICS

- **Linen** *brings the natural, timeless look of linen fabric to Color Lux Roller Shades. Available in light filtering and blackout.*

- ▶ **Classic Duck** features a soft hand and provides rich, fade-resistant color vibrancy. Available in light filtering and blackout.
- ▶ **Solar Screen 5** is energy efficient and environmentally friendly. This PVC - free solar screen has a subtle, linen-textured appearance with the added advantage of UV protection. A 5% openness factor provides the perfect balance between privacy and light control.

Soft Roman | Sateen Matte | Blue Haze
Drapery | Linen | Downtown | Cityscape

SOFT ROMAN SHADES

Color Lux Window Solutions offers the most elegant and popular roman shades in the market today. Featuring the luxurious Color Lux soft treatment fabrics in Sateen and Linen, every pattern and color-way available in the Color Lux Design Tool provides hundreds of options for a beautiful roman shade. The fabric waterfalls off the front of the headrail and the controls are concealed behind the fabric.

AVAILABLE FABRICS

- ▶ **Linen** offers a timeless and refined finish that adds warmth and sophistication to any décor.
- ▶ **Sateen** has a soft, supple hand for a subtler look that works well with both traditional and contemporary décor. Available in two finishes matte or luster.

DRAPERIES,

Roller | Solar Screen 5 | Blue Rapids
Drapery | Sateen | Lyon | Cool Water

DRAPERIES, CORNICE & VALANCES

The Color Lux Drapery program features ten popular drapery styles, seven top treatments and 3 cornice styles that can all be coordinated with one another using the Color Lux Window Solutions design tool. Select from over 800 Color Lux solid colors or hundreds of beautiful patterns that will inspire the designer in everyone. Available in the same fabrics listed on page 11.

WINDOW SOLUTIONS TOOL

In just a few steps, compare thousands of Drapery, Valance and shade combinations with the Color Lux Window Solutions Design Tool. The tool harmonizes Draperies and Soft Window Treatments with Roller and Cellular shades using the colors from the color deck. Finding a beautifully harmonized window ensemble has never been easier. Use the design tool online at www.colorluxwindowsolutions.com

A Shade for Every Window

Other hardware options include: Ovation™ Cellular Slider, Mezzo Motorized Skylight Shading System, Two-on-One Shades, Day-Night Shades and Starburst Arches and Sunset™ Movable Arches.

CELLULAR HARDWARE

Motorization

Easy, remote-control operation of your cellular shades using Simplicity motors. Modern convenience without any operating cords.

► Also available with *PowerTouch™ wand*

Cordless Lift & Lock

Raise or lower the shade by pressing the button located on the bottom rail and guide the rail into the desired location.

Top Down - Bottom Up

Lower shades from the top or raise them from the bottom to maintain privacy while letting in natural light. Available in Cord Lock, Cord Loop, Cordless Ultra and Lift & Lock.

Motorized

Top Down - Bottom Up
Lower or raise your shades from the top or bottom all with the push of a button. Modern convenience without any operating cords.

Simplicity Wave

Simply wave the wand in front of the appliqué on the headrail to operate the shade.

StrataView™

StrataView is a dual panel shade with a sheer top and your choice of Color Lux fabric as the bottom panel.

4" Skyline Fascia

The 4" Skyline Fascia offers more operating options than ever before. Available in White, Ivory, Black, Satin Nickel and Bronze.

Available with the following options: *Simplicity Rechargeable Motorization, Simplicity Motorization, PowerTouch™ Rechargeable, Cord Loop*

Designer Cassette

Designer Cassette is a clean and seamless way to hide a roller. Available in 5 hardware finishes.

Available with the following options: *Cord Loop with Skyline Hardware, Simplicity Motorization, Simplicity Rechargeable Motorization, Cordless, PowerTouch™ Rechargeable*

Cordless Roller Deco Bar

The Cordless Deco Bar System is available in 5 new finishes with a color coordinating bracket cover for a finished appearance on all deco bar cordless roller shades. Cordless also available with Designer Cassette.

Dual Roller Shade

Maximize the versatility of your windows by mixing light filtering and blackout fabrics. Available with Cord Loop or remote Simplicity Motorization. Available in white or black clutch.

Standard Skyline Roller

Skyline hardware is standard on roller shades. Just choose your clutch color. Available in White, Ivory, Black, Satin Nickel and Bronze.

ROLLER HARDWARE

PowerTouch™ Rechargeable

A hybrid between cordless and motorized, the wand lifts and lowers the shade while the favorites button provides personalized operation. Available with cassette or no headrail option.

Shown in Fabric Insert Designer Cassette.

Simplicity Motorization

Simplicity Motorized shades with remote control use radio frequency transmission to operate the shade. Available with or without cassette, in rechargeable option or non-rechargeable option.

Shown in Fabric Wrapped Designer Cassette.

Retractable Cord

Retractable Cord provides smooth operation for hard to reach shades. Available with a white or black cord.

Simplicity Wave

Simply wave the wand in front of the appliqué on the headrail to operate the shade.

Panel Track Options

Available in white or aluminum. Bottom rail is available in fabric wrap or matching hardware. Side or split stack operation.

Panel Track Controls

Select between wand or cord control to ensure smooth and quiet operation.

SOFT ROMAN STYLES

Flat

The flat roman shade looks like a roller shade when down, and gathers up in soft folds when raised.

Relaxed

The relaxed roman shade lies flat when lowered, but has a gentle, decorative "smile" at the bottom.

Classic

The classic roman shade features decorative seams that appear at the front of the shade when lowered. This shade is recommended only with textures and solids.

Hobbled

The hobbled roman shade's defining elegance is its beautiful soft folds that drape when lowered. This shade is recommended only with textures and solids.

Two & Three on One

Perfect for large window openings that share multiple windows. Available with all operating systems.

Front Valance

Add a 5" , 7" or 9" valance to any soft roman shade. Valance will hang off the front of the headrail.

Cord Lock

Traditional Cordlock operation offers color coordinated cords and fabric wrapped headrail.

Top Down - Bottom Up

Provides the ideal light control and privacy. Available in all soft roman styles. Available as two or three on one shades.

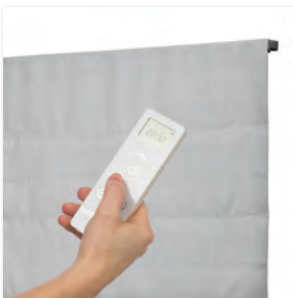

Cordless

Raise and lower your shade with easy operation. The tassel makes operation simple without contact with the fabric. The headrail is wrapped with matching shade fabric.

Cord Loop

The Cordloop operation features a clutch mounted to the furthest edge of the headrail. This provides easy access to the bead chain and a flush application to an inside trim.

Motorized

Simplicity Rechargeable Motorization allows you to operate multiple shades simultaneously with the push of a button.

PowerTouch™ Rechargeable

A hybrid between cordless and motorized. The wand lifts and lowers the shade. Favorites sets shade position.
